The custom kitchen opens to a living room that features floor-to-ceiling “book-matched” marble encasing a 54” gas fireplace. Large windows capture the views over the King countryside. The kitchen features a large island, Cambria quartz countertops, a Bosch dishwasher, 6 burner Kitchen-Aid stove, double ovens, warming drawer and a Kitchen-Aid side-by-side refrigerator. Just off the kitchen is a servery with another fridge, sink and ample pantry storage space.

The custom kitchen and living room feature a walk out to a covered loggia with skylights, BBQ gas connection and panoramic views to the North, West and South.

Also on the main floor is a large laundry room and mud room with plenty of storage.

The attached over-sized 3-bay garage is fully insulated and heated and also offers a man door and a drive thru garage bay which both provide access to the grounds.

A main floor principal bedroom features cathedral ceilings and 6 windows which flood the room in light and capture views over the rolling hills of King Township. The primary bedroom suite has a large walk-in closet and a beautifully finished 4-piece en suite bathroom.

Upstairs there is a South facing bedroom featuring a 4 piece en suite. Also, two other generously sized bedrooms face west, and share another 4-piece bathroom.

There is a very large “bonus room” upstairs that could be used as a theatre/media room, a kids’ playroom or a dance studio!

In the walk-out basement, there is a large rec room with a wet bar, bar fridge and a walk out to the backyard. The basement also features a west facing bedroom with a 5-piece bathroom featuring a sauna! There is an additional bedroom in the basement that currently serves as a music room with sound proofing insulation added. There is also a roughed in wine room waiting for your finishing touches. The basement features radiant floor heat throughout and the views are spectacular!

A large cold room/ storage space and an additional room used as a sewing room complete the rest of the lower level.

A flight of stairs leads to the loft situated over the garage. The loft features a custom kitchen, high lofted ceilings and a living room in addition to the East facing bedroom that features 2 double closets as well as a 4-piece bath.
